The Northwood High School Boosters, Friends, & Alumni Association (NHSBFAA), also known as Northwood High School Boosters Club, Inc., is a nonprofit organization of parents, coaches, students, faculty, alumni, and community members committed to promoting excellence at Northwood High School (NHS) by voluntarily helping to enrich the high school educational experience and foster success in the classroom and in extracurricular activities for all students by building school involvement through our academics, arts, athletics, and activities.

What does the NHSBFAA do for your child's program or organization?

- **Provide fundraising opportunities for individual programs**
In 2014, the Fall reverse raffle generated \$36,185 for Northwood High school programs. We are hoping to raise more in 2015. Get you raffle ticket today at <http://nhsbfaa.org/fundraising.html>
- **Fund projects that “boost” school programs through general BFAA funds**
*All funds raised by an individual program is kept in a tax exempt 501(c)(3) account by the treasurers and may be used as seen fit by that organization (your money is yours!). The bfaa provides the tax exempt account, accounting, audit support and charitalble receipts for you to provide to your donors.
All funds raised in the NHSBFAA general fund may be requested by programs through a grant request.
See <http://nhsbfaa.org/spending-and-requesting-funds.html> for more details*
- **Manage concessions**
The BFAA ensures all concession stands have proper health permits, arrange training & health inspections and provide inventory. <http://nhsbfaa.org/concessions.html>
- **Provide websites and technical servies for individual programs**
The NHSBFAA webmaster can create and maintain a website for your organization, post news/events for your program to help get the word out, greate mailing list/forwarders, provide paypal buttons so donors can give with credit cards and the funds go directly to your account. <http://nhsbfaa.org/webmaster.html>
- **Register Alumni for alumni events and program support**
*Last year NHS sports programs each held an Alunmi event to connect with legacy atheletes.
