Softball Coach), LaDawn Sanders (FB, BB, LAX), Alisha McFadden (Dance), Barclay Spotz (CC, MBB), David Miller (HC-Baseball), Frances Grant (Webmaster – Board), Julie Fogle (HOSA), Jen Morgan (Board – Sec.), Shell Hollis (VB), Ivye Arnold (MBB, LAX), Katie Henry (CC), Perry Marshall (VP-Board), Patty McCaw (CC/Track), Lisa Harman (Track), Carrie Rimolt (Track), Robert Zimmerman (Track), Scott Tracy (Track), Rick Thompson (Board Pres.), Johnny Hill (Board Treasurer), Carole Sanders (Board Treasurer),

The **MEETING CALLED TO ORDER** by President Rick Thompson. He introduced the new BFAA Board Members. Then introduced the spring sport coaches in attendance. All spring sports were represented.

There were no questions on the minutes, so the agenda moved forward to the **Treasurer Report**. Discussion on Charger cards. They do not expire until Sept 2019. How can we sell them for \$10? No new ideas came forward on this.

Concessions. There are 4 people on the committee. All aspects are going well. They are in the process of getting ready for baseball and softball seasons. Extremely efficient concessions group managed by Craig Adams, Cassandra Gregory, Avis Bell, and Charity Ross. All paperwork in complete for the upcoming spring season. The county health department and Booster Concessions committee communicate extremely well. The new payout system for teams is working great. Both Football and MBB/WBB concessions stand received a 100 % grade from Health department.

Randy Cox, Men's LAX coach, contributed what he had heard from the Fayetteville assistant coach concerning the Men's basketball First Bank Charger Classic that NHS hosted in December. The comment was about the amazing hospitality that was provided by our parents and coaches. *'I've never seen hospitality come from anywhere like it did at Northwood!'* We are working hard to 'put NHS on the map'. What else can we do? Parents need to get and stay involved. Also, keep updating our various Twitter feeds to get the word out.

Conversation turned to **Alumni Night**. Wanda said there is one scheduled for both Men's & Women's basketball. Would like to get one for softball, if the coaching staff could assist. Concerning the scheduling of this, the second week of May could be feasible as colleges will be out so alumni may likely be back in town.

Next we discussed the **Spring Palooza** event that Coach Amy is promoting for Northwood Student Athletic Advisory Council. *Flyer is attached to the minutes.*

Last topic of conversation for this meeting was around fundraising for the **extra trainer**. We need \$3500 to add a trainer; we have raised \$626 as of this meeting. This is extremely important for spring sports as we have so many events where more than 'one set of eyes' are needed. Ivey is going to send out the GoFundMe request on FB, IG, and Twitter again.

Avis motion to dismiss; second by Ivey. **Meeting was adjourned.**
