Fundraising:

- No_Fall fundraiser.
- There will be a Spring Fling with a larger scale raffle. Event will last into the evening.
- Each sport will be responsible for selling a certain amount of tickets.
- There will be booths available like last year for groups to raise money.
- 20/20 Raffle was introduced to fill the lack of Fall event. Form was shared and also will be sent out to reps/coaches/CTE advisors via email. This can be as successful as you make it.
- Brewery Nights continue. Please let Robyn handle dates, each group/sport will get a night. When groups contact the Brewery it creates confusion, let her handle it. Flyers will be sent out via email as they are made available.
- There was a discussion around Grants. David Roberson supported the process with positive feedback to group.
- There was a discussion on grants for uniforms. Grants can be submitted for uniforms. BFAA does not fully fund uniforms. Participation in fundraising and meetings carry weight on whether grants are approved. If there is a change in regulations for uniforms, such as when volleyball's uniforms were changed by the league, it is Athletics responsibility to ensure the uniforms are within guidelines for play.
- There were questions around PTA Thrift shop. A representative will come to our next general meeting to answer questions from the group.

Executive Committee Business:

- Football presented a couple of proposals for fundraising that were approved.
- There was further discussion on Camps and payment to coaches for conducting camps.
- Replacements are needed for many board positions. **People need to step up or the organization will not be able to function properly for the next school year.**

General Reminders:

- When money is available in your account, purchases under \$500 don't have to be approved. >\$500 must be approved by AD or Dr. B.
- Grant requests consist of filling out a form from website and a brief presentation to board.
- Participation in meetings and events has heavy bearing.
